† Upcoming Sunday Morning Bible Study †

In the U.S. the relationship between church and state is an energetic one. Voices and viewpoints line up across the spectrum. Some would argue from history there should be a "wall of separation" between the two. Others maintain co-existence is not only necessary and inevitable, but can lead to positive results. In real life, church and state do operate in similar spheres-both conflictly and cooperatively. See how they interconnect in *The Intersection of Church & State*. **Scheduled to begin Sunday June 9 (change of date).**

† Current Thursday Night Bible Study †

The topic of spirituality in Christianity is muddled with mysticism rather than the mysteries of Christ: the Sacraments and His resurrection. With the rise of people identifying as "spiritual but not religious" and moving away from "institutional" religion, this book offers a bridge to bring people to Christ. Topics covered: Justification, Means of Grace, Theology of the Cross, Christology, Vocation, Living in Two Kingdoms, and Worshiping God. **Please read Section 1: Justification**
