"I AM sayings" of Jesus in John's Gospel. In this bible study series, we will study the seven "I AM sayings" of our Lord in their context as well as their fulfillment in Jesus' death and resurrection. Jesus used these seven titles for himself in order to fulfill God's promises in the Old Testament and to point us to his saving work on the cross. We will also look at a second set of Jesus' "I AM sayings" that are less familiar, but equally important in declaring Jesus' saving work. Join us for this study as we rejoice in our risen Lord, whose saving Name, I AM, delivers God's promise, presence, and peace to us. **August 25th - October 13th. Note: No Class on Sept. 8th.**

The parables of Jesus make up a crucial part of the Bible. Jesus had the wisdom to simplify the profound spiritual truths he needed to share with humanity in the form of relatable stories that are easy to understand. A parable is a tale about a simple, common subject to illustrate a more profound, valuable lesson. The source definition of the word "parable" means a placement side by side for comparison. Stay tuned for dates of study.
